

Leadership Coaching, Inc. Presents:

“Knowing Self, Growing Others”

Skills Development and Relationship Management for High-Impact Leadership

- Limited to 8 emerging leaders, this online course teaches high-impact leadership principles, strategies and skills in a confidential, challenging format.
- A practical approach enables motivated leaders to build self-awareness, competence and confidence as keystones for healthy cultures and relationships.
- In-course coaching addresses the specific, real-life challenges of participants. Each leader also benefits from supervised coaching practice and feedback.

Please note: A qualifying conversation with the program leaders is required prior to registration.

Course Fee: \$6,900 including materials
